Shoes that Grow

Victory Children's Homes International has partnered with Because International Ministries to provide "Shoes That Grow" for the children of the Victory Children's Home in Kisumu, Kenya. We are fundraising right now to buy 200 pairs of shoes so that all of our children will be able to have a pair of these unique shoes.

The Shoe That Grows is made of high quality leather and durable rubber so that it can last up to 5 years and is built in such a way that it can expand up to 5 sizes as the child's feet grow. These shoes will be an incredible blessing to the home and will ensure that our kids have shoes for years to come. Please donate today. Any donations over and above our goal will go to help buy shoes for other children in the area.
