Global Christmas Feeding Program

In impoverished nations all over the world, Christmas day is not a day of celebration, but a day of uncertainty, of loneliness, and hunger. The daily struggle for food, for shelter, for love, and for family is all too real for so many. The Global Christmas Feeding Program was created to ease the burden that so many carry every day, if only for one day, and to show, in the most practical way, the love of Christ in action.

Last year we fed just over 13,000 street children, orphans and widows with a Christmas Feast and were able to show them the love of Christ. This year, you can help us reach our goal of feeding 20,000 children and widows! With your support, this event will continue to grow, and continue to reach those who need it most.

Pray For...

- Drs. George & Hazel Hill that they would receive protection, direction and inspiration as they lead this movement.
- Enough funds to be raised in order to meet our goal of feeding 20,000 Street Children, orphans and widows.
- That the love of God would be shown clearly to thousands of people through this program and that they would come to know Christ through this.
- That the Lord would show you how you can be of service and how you can help touch the lives of those around you this Christmas. So that you can be a light in the darkness of this world.
