Building Projects

Victory Churches International firmly believes in establishing long lasting ministries all over the world that will last for generations to come. Part of this vision includes buying land and building structures to help grow and facilitate the ministry.

We have building projects happening all over the world, but we want to highlight the ones happening in Myanmar, Mexico, Uganda and Pakistan this month. We could not have done what has been done without the continual support of our Victory Church Family.

Thank you to all our Victory Churches for your continual giving! It is because of your tithes and offerings that VCI Missions can continue to reach the unreached and see the kingdom of God grow and expand.

What Can I Do?

- Visit** one of our Victory Children's Homes! Contact our missions office for information on upcoming trips.
- Sponsor** a child, contact Lori Peters at sponsorships@victorychildrenshomes.com
- Plan** a trip to our Baja Missions base in Ensenada, Mexico! Contact Tom & Laurie at weppersvcibaja@gmail.com
- Contact** our office or visit our website for more information on missions trips and opportunities. Go to www.victoryint.org
- Give!** There are many ways that you can give to VCI Missions. From special projects, sponsorship, or giving of your time and talents. Contact us to get involved!

Pray For...

- Drs. George & Hazel Hill that they would receive protection, direction and inspiration as they lead this movement.
- Enough funds to be raised to meet our goal of feeding 30,000 Street Children, orphans and widows for the Global Christmas Feeding Program.
- Pakistan and Uganda as they continue their building projects into the next year.
- Wisdom and favor on all those who are currently doing construction projects. That they would have the right builders, safety on work sites and be able to complete their projects on time.
