40 Years of Victory

In 40 years, we have gone from a small church in Lethbridge on Mother's Day 1979 to the four corners of the earth. We are currently in over thirty nations, covering multiple languages, cultures, and ethnic groups. We are actively involved in bringing the gospel to the world through our Vision of Reach, Teach and Mobilize.

Together we are doing our part to usher in the return of our Lord Jesus Christ (Mt 24:14) who will ask on His return, "What did you do with what I gave you?" We can boldly stand together in faith and say, "We started with the one church You gave us and by Your grace and favour we did it big, we did it good and we did it together. We reached out with your love sharing the Gospel throughout the world by any means necessary." We have gone this far in 40 short years let's anticipate more in the next 40.
